# Happy Spring!

## HE HAS RISEN INDEED!

I am excited to testify about the first quarter happenings. We are continually amazed at how God has given us such Kingdom Minded partners. This year B2N broke ground on our second church plant in Ghana Africa. Pastor Fredrick has led 68 people to Jesus this year. In Panama our AWANA outreach is the only exposure many of these remote village children will ever have to learn about Jesus. This will bring to 8 AWANA programs that we have in Panama. Under this program B2N is averaging 8-10 new salvations a month. We presently have 3 church plants in Guatemala but there are other areas also under consideration for a church plant. Also arrangements are being made to return back for a fall trip to Guatemala. This will allow us to continue the work that was started there 15 years ago. In Zambia we continue to bring abandoned children off the streets lead them to Jesus and find permanent housing for them. Simon, our team leader in South Africa, was almost killed in a tragic car accident this year that took the life of his Uber driver. He is recovering and will soon be back in the mission field winning many to Jesus under the B2N support we provide.

Without you, B2N would not be able to reach our vision for the lost and hurting. God continues to use B2N in Panama, Guatemala, Cuba Zambia, Ghana, South Africa and the U.S. to encourage pastors and leaders as we motivate the church body to be concerned with their role in the Great Commission!

George will be conducting an evangelism outreach in the next few weeks into the very poor area of Zambia called the copper belt region. George has requested he train up a young man to travel with him to this difficult to reach area.

These are children that lost one or both parents to the A.I.D.S epidemic in Zambia. More street children that our B2N team leader has helped find permanent housing.

A typical day feeding the children at risk found on the streets of Zambia Thanks for helping B2N reach the lost and abandoned youth of Zambia.

### SOUTH AFRICA

Simon and pastor Gary at last years B2N staff meeting.. I believe he will attend this years B2N staff meeting!

Our B2N team leader in South Africa was almost killed in this head on collision Simon our team leader, was having to use Uber drivers while B2N was raising money to do repairs on our evangelism van in South Africa. Tragically the uber driver was killed and Simon was in a coma for 3 weeks due to this horrific accident.

Simon is now slowly recovering and will soon be the energetic evangelistic that he has been called for.

### PANAMA

Betty Moodie our team leader in Panama. The 6 regular weekly AWANA meetings that Betty works with is also mixed with a bi monthly humanitarian/ evangelism outreach!

Betty uses passing out food and clothing as a form of reaching the lost for Jesus Christ!

Betty reaches deep into remote areas to bring food, clothes and Jesus to those who have not heard the message of salvation through the death burial and resurrection of our Lord and Savior.
