B2N's SUMMER NEWSLETTER

“Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus.”

Philippians 4:6-7 NKJV

In Kenya, Pastor Joshua delivered a tank full of clean water to a desperate village.

Guatemala when the pandemic took a turn for the worse. I was able to make sure my ministry team was able to cancel all evangelism outreaches planned for March, April and May.

As the shuttering effected all of our ministry teams and forced them to be quarantined because all were under curfew lockdowns.

We were in constant communication and counseled them to start planning an outreach that would be acceptable by their local governments. Our desire at A Blessing To The Nations has always been a simple philosophy that says, "People don't care how much you know, until they know how much you care."

The plan we formulated was to disperse much needed food, clean drinking water, masks and assistance to get them proper medical care. We developed a simple way to make a mask that many of the villages could then follow our simple sewing pattern. The most important thing I wanted my team to do was reach out and encourage those who were the least of these by showing them someone cared about them.

For this reason I am so thankful to all B2N donors and faithful supporters as we were financially able to make a substantial humanitarian impact on many decimated villages.

Many of these villages I have been in and can attest they were in bad condition before the pandemic and now all these villages need our prayers and encouragement.

I instructed each team to start giving me a financial projected cost of returning at a later time when the pandemic has ended for a massive evangelism outreach.

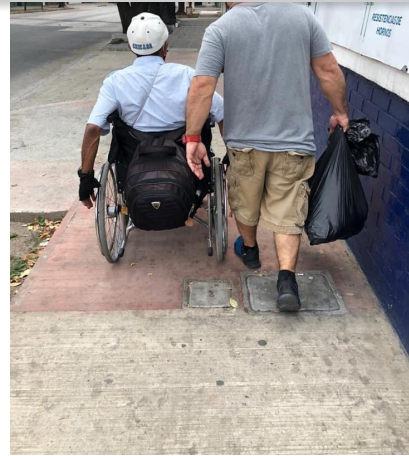

The teams that have gone out are the teams from Guatemala, Panama, Ghana, Kenya, South Africa and we sent two team out in Zambia,

Be watching for more details later this summer as we plan massive evangelism outreaches back into those same villages.

AFRICA

Pastor Joshua in Kenya, his team made masks and showed the village the template on how to make them.

George walked many miles with me as we evangelized in Zambia. He is happy to be helping his fellow countrymen!

Evangelist George is mentoring a young man named Nathan, who now wants to be an evangelist as well!

Apostles Simon of South Africa said
one mall said no entrance without a
mask!

His reply was, "it's the same as
getting into heaven, no entrance
unless you have confessed Jesus as
your Lord and Savior!"

Kofi and Pastor Fredrick, we are waiting for the country of Ghana to open so we can get a new roof on our church.

Some of our photos remind us how much ministry has been missed because of this virus!
